HMAS Sydney Virtual Memorial

Dear Madam/Sir,

I am writing on behalf of my father Alfred Clive, older brother of Alfred Walter Clive to forward the items for the virtual memorial, any of which may be used.

I have included photos, some family history and two copies of a newspaper article which I have marked one to show Alfred "Wally's" face in the article as identified by my father.

As a family we are very pleased to be part of this memorial and especially for my father who is 91 years old to be able to honour his brother's memory in this way.

If you require any further information please do not hesitate to contact us as detailed below. If you wish to keep any of the photos we are happy for you to do so.

Thank you,

Anita Moir
